

Retractable Banners w/ QR Codes and Local Council Information

We have 3 mentions on how to source these banners. All councils are encouraged to do so and display them in prime locations and at KofC events.

1. Knights Gear – The simple reordering form to source banners with the QR codes and council information is still pending. However, you can order them by
 - a) First place an order with Knights Gear (<https://knightsgear.com/collections/signs>) and noting the order number, then
 - b) Send an email to them with the order number asking for the same layout used by our SD Ray Sands (the customer service rep I used was Danielle Lobban, danielle@waterfrontproforma.com).
 - c) Danielle or the assigned CS rep will send you a proof of the artwork in a few days and after approval it will arrive in about a week.

Send any questions to their support email:

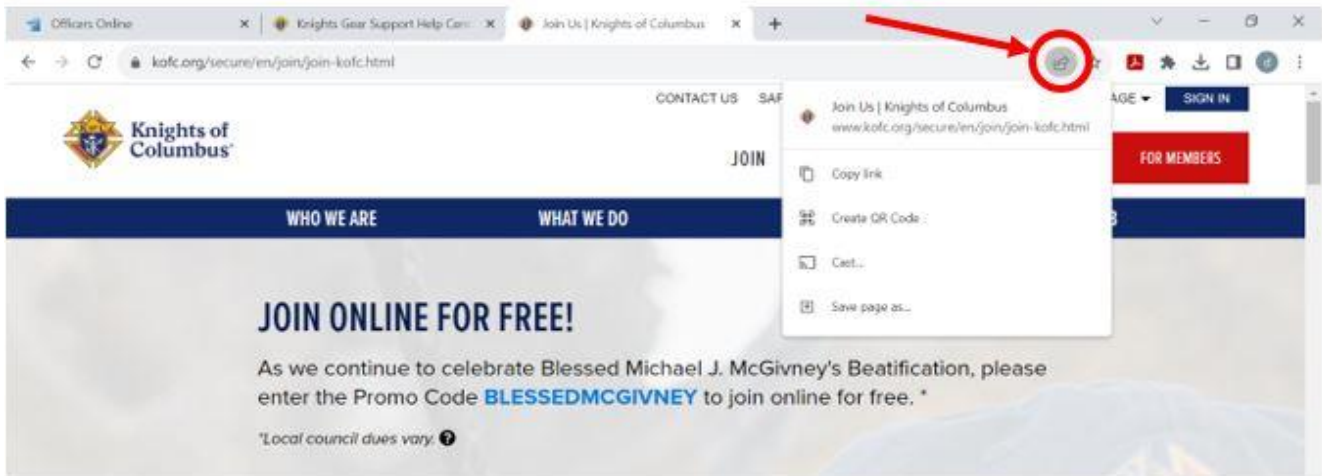

support@knightsgearusa.com. In fact I started my order this way to guarantee they knew I wanted the customizable version with the QR code and Council information.

2. MDT Awards LLC – Our contact there is fellow Knight Ken Moher, 77 Waterford Court, Bloominfdale, NJ 07403 (phone: 973-907-4956, email MDTAwardsLLC@gmail.com).
3. District Deputy Enrique Blanco from the Newark Diocese also has a source he has used to source these banners. He can be reached by phone at (201) 745-2723 or via email at riker1071@gmail.com

As long as we are talking QR codes with links to the Join Us portal. I also highly recommend councils follow the lead set by our Chapter, and several local Councils by promoting your KofC activities on a wide range of social media platforms. When you do, be sure to use the “Join Us” URL (kofc.org/join or kofc.org/joinus) and the QR codes as appropriate.

Here is a Google Chrome tip to create a clickable link or QR code. After you’ve entered the web page you are interested in, click the symbol highlighted (see image below) and, in the window that pops up, choose to copy the link or create a QR Code.

OR URL Hyperlinks and QR Codes can be downloaded from our NJ State Web Site:

- Go to njkofc.com
- Hover over the “Resources” tab and
- Click: Join Us Online...
- English and Spanish hyperlinks and QR codes can be downloaded from there

Alternatively, you can simply copy and paste the following images
